*From the desk of Pastor Reeves*

March 13, 2020

SCC Family,

I wanted to take a moment and connect with you directly as the coronavirus (COVID-19) continues to impact our communities, schools, and families. The well-being and safety of our church community is our top priority and will always be at the heart of every decision we make.

We are dedicated to proactively keeping our congregation updated on our activities. Leveraging the latest information from health-care professionals, our government officials, and the Centers for Disease Control, we have made the tough decision to suspend all corporate and small group face to face gatherings at Sanctuary Charlotte Church for the next two weeks. This includes Sunday Services for March 15th and March 22<sup>nd</sup>, as well as all ministry meetings, rehearsals and activities during this time period.

It is vital that as a church body, we stay connected to God and each other, and we will offer several ways in which to do that. Although this will be new and different for some, we encourage you to explore the options that may someday expand our outreach when you are unable to attend services in-person.

### **Worship Opportunities:**

In order to continue to provide you with a worship experience, we will use various platforms that will allow you to participate in praise & worship and hear an inspiring message.
